

Creating a Guest Account

Visit ColumbiaAssociation.org/login and click on *Become a Guest*.

The screenshot shows a login page with two main sections. On the left, under the heading "Already an existing member", there are input fields for "Username" and "Password", a "Login" button, and links for "Forgot your username/password?" and "Do not have a login?". Below this is an "OR" separator and a "Sign in with" section featuring "Facebook" and "Yahoo" buttons. On the right, under the heading "Not a member yet?", there are two buttons: "Become a Member" (with a checkmark icon) and "Become a Guest" (with a play button icon). A black arrow points to the "Become a Guest" button. Below the "Become a Member" button is the text "Member Privileges", and below the "Become a Guest" button is the text "Guest Privileges".

Enter in your last name, first name, email address and zip code. Next click *Find your Primary Club*.
